

WE ARE HIRING

Job Opportunity: Agricultural Community Animator

Join the Farming for Water EIP Project and play a key role in improving water quality, biodiversity, and sustainable farming in the Corrib Catchment.

Position: Agricultural Community Animator

Contract: 3 years

Key Responsibilities:

- Engage and recruit farmers into the programme.
- Support the implementation of water quality measures.
- Promote “caring for water” initiatives across the Corrib Catchment.
- Foster community participation and innovation to achieve environmental and social benefits.
